

Dr Emma Stevens

BSc, Post Grad Dip, DClinPsych.

Chartered Clinical Psychologist

Health Professions Council Registration: **PYL27135**
British Psychological Society Membership: **180062**

Dr Stevens is a Chartered Clinical Psychologist with twelve years of post-doctoral experience and over fifteen years of experience of working in mental health services. Dr Stevens currently works as a principle clinical psychologist for learning disability teams undertaking assessments of cognitive and functional abilities and associated mental health problems. She has also worked with adults with common mental health difficulties including depression, anxiety, trauma and OCD. Dr Stevens runs a busy private practice including offering therapy to individuals who are experiencing difficulties with low mood, anxiety and trauma.

Dr Stevens is an accredited EMDR practitioner.
