Health Professions Council Registration: **PYL01206**
British Psychological Society Membership: **152844**

Caro Strover is a qualified Child and Educational Psychologist registered with the Health and Care Professionals Council (HCPC PYL01206) and a member of the British Psychological Society. She has had 20 years of experience working as an educational psychologist supporting children and young people from early years through to university age, their families and schools.

She has worked as an Educational psychologist within a Children's Service and then as an independent educational psychologist following 11 years of working as a mainstream and specialist teacher. Her main expertise is full and thorough psychological educational assessments that advise needs and support in school, with clarity and professionalism in collaboration with the team around the child/young person.

Caro Strover's areas of specialism include Specific Learning Difficulties such as dyslexia, dyscalculia, processing speeds, including attention, social, behavioural and emotional difficulties and high functioning autism.
