

Dr Obiajulu Okoye
Clinical Neuropsychiatrist

GMC: 5204769

I have provided medicolegal reports since 2004.

The medicolegal reports I provide relate to criminal, clinical negligence, and personal injury cases, in relation to the following issues: condition, prognosis, culpability, Breach of duty, causality, fitness-to-practice, risks, treatment, etc.

My medicolegal experience includes providing medicolegal reports for the claimant, defendant, and joint parties.

I have so far, provided over 20 reports, and counting, as I am frequently contacted by solicitors or their agents, to provide medicolegal reports. Most of my reports has been for the defence and at least 5 has been for claimants. 2 have entailed joint statements.

I have attended court for trial on at least 3 occasions.

I have also completed the Bond Solon Clinical negligence part 1 & 2, half day courses.
